Christiane,

Do you know if we are on for tomorrow?

I just want to ensure that both Supt. Morris and I have the appropriate coordinates if we are being requested to attend a meeting.

Thank you,

Good afternoon Christiane,

Both Superintendent Morris and I would be able to provide a high level intelligence picture, in relation to the Freedom Convoy, to the Ottawa Police Services Board at an in-camera meeting as suggested. I am available to discuss with you a mutually agreeable time for this meeting and I would also suggest that OPS Intelligence Operations be represented at the meeting to answer any questions that may arise specific to Ottawa.

I can be reached on my cell phone at [REDACTED]

Thank you,

C.E.J. (Chuck) Cox

Good morning Supt. Morris,

The intel briefing you provided at the Chiefs evening briefing yesterday was very helpful. As discussed, we are in the process of scheduling a special in-camera Ottawa Police Services Board meeting for you to brief them tomorrow on the intelligence threat assessment surrounding the convoy demonstration.

Can you let me know as soon as possible what time works best for you tomorrow to deliver the briefing.

Thank you – Christiane
